

DIRECTIONS TO HENIARTH

From the North of Wales: Travel along the A483 from Builth Wells, heading for Llandovery to the A40 and then on to Carmarthen.

From the North East: From Hereford travel along the A438 towards Kington, staying on the A438 towards Hay-on-Wye and on to the A40 at Brecon, heading towards Llandovery, Llandeilo and Carmarthen.

From the West: Travel along the A40, heading through St.Clears and on to Carmarthen.

From the East: Travel Westbound along the M4 which will lead on to the A48 at Pont Abraham Services, until you reach the Pensarn roundabout at Carmarthen.

When in Carmarthen: Pick up the A484 heading for Kidwelly and Llanelli, this will find Morrison's supermarket on your left and McDonalds on your right. Head straight over the next two small roundabouts. Through the villages of Cwmffrwd and Idole, ignoring any right turn signs for Ferryside, and onto the roundabout at the head of the Kidwelly By-Pass. Turn right here, (second exit) into the village of Kidwelly. As you pass through some houses look for the first right with the Spar shop on the corner. This is Ferry Road/Heol Ferri. Turn right here, heading up the long hill. As the road begins to straighten out you will pass Penlan Isaf B&B on your right, the next turning, by a red brick, ex-army look out tower, complete with flag pole, will be where you will need to turn. Heniarth is the property you see on the left, seen from the main road. This is some 1-1/2 miles from the Spar shop, some 9 miles from the Pensarn roundabout in Carmarthen. Sat.Nav directions from Carmarthen will lead you in the back way, along Pwll y Baw Lane –although fine in a car this is very narrow and unsuitable for lorries and trailers so ignore directions until you reach Kidwelly.

Alternatively; From the M4 you can leave at Junction 48 and follow the A4138 into Llanelli and pick up the coastal road A484, following brown signs for Pembrey Country Park. Travel on to Kidwelly and take the first left into the village, passing through the main street, looking for the Spar shop, ahead of you, on your left hand side, then follow the directions as above. **BE WARNED** – this route may be more direct but has several speed cameras and nine roundabouts to negotiate.

Ordinance survey map will find the property as “Nimpwll”, close to the village of Llansaint. Grid Reference: SN 393 085 GB
